

Court of Appeals, State of Michigan

ORDER

People of MI v Carol Ann Boak

Docket No. **340201**

LC No. **16-009711-FH**

Michael F. Gadola, Judge, acting under MCR 7.217 and MCR 7.219(I), orders:

The motion for reinstatement of appeal is GRANTED. Further, the time for filing appellant's brief is extended until 21 days after the date of this order.

The Court notes that the "Application for Leave to Appeal" document submitted with the motion is not appropriately presented as appellant's brief. Particularly, it is framed as primarily requesting leave to appeal which is not needed as the Michigan Supreme Court's November 26, 2019 order has already remanded this case for consideration as on leave granted. Thus, appellant should file an appropriately framed brief on appeal addressing the merits of the appeal within the time allowed by this order.
